**Subject: CN Pension Plan payments**

Dear CN Pensioner,

Enclosed is your December 2017 CN Pension Plan payment which is payable on December 29, 2017.

Your cheque will have a new look starting in January 2018

We would like to take this opportunity to advise you that, starting with your January payment, your monthly CN pension cheque will have a new look. Attached is an example of the new cheques so you can know what to expect to receive next month.

Revised timing for the mailing of your monthly cheque

Also be advised that, as a result of a review of the processing of the monthly pension payments and in order to bring consistency in the timing of the mailing of the cheques, your monthly cheque will now be mailed to you five (5) business days before the last business day of each month.

Have you considered switching to direct deposit?

Finally, we would like to remind you that you can have your monthly CN pension payments deposited directly into your Canadian bank account each month. Direct deposit is a safe and reliable way to ensure that your payments arrive on time. You can sign up for direct deposit by calling the CN Pensioners' toll-free help line at 1 800 361-0739, or by completing and returning the attached direct deposit authorization form along with a personal void cheque in the self-addressed envelope enclosed for your convenience.

Should you have any questions regarding your CN pension payments, you may contact us at the number below.

Sincerely,
