

CN PENSIONERS ASSOCIATION SCHOLARSHIP PROGRAM 2019

Our CN Pensioners Association Scholarship Committee has now completed the seventh year of your scholarship program. The awards (25) in the amount of \$1,500 each to children, grandchildren and great-grand children of “contributing” members of the CNPA have been mailed to the successful applicants.

In addition to the CNPA National Council awards, Moncton Council has opted to fund 2 additional scholarships for grand children and great-grand children of sponsors who are contributing members of Moncton Council No. 1. A similar Bursary (The Harvey Hosfield Bursary) was funded by Manitoba council in the amount of 3 awards of \$1,000.

Unfortunately, there were no qualified applicants this year for the \$500 Trade Bursary sponsored by the Manitoba Association nor for a similar bursary of \$1500 offered by the Quebec Provincial Council.

Further, the Ontario Provincial council is awarding an additional scholarship of \$1500 to an applicant sponsored from Ontario. These local awards are apart from the National awards and are administered by the local council which is providing the funding. Information on all these awards as well as names of past winners and their sponsors are available on our web site www.cnpensioners.org at any time.

In total, your association is awarding \$45,000 in 2019, which is benefiting our pensioners’ family community. Thank you to the Selection Committees and to Bruce Peacock for verifying the sponsors and Wayne Greenland who received and distributed all the applications.

This year we received a record total of 208 applications of which 8 were rejected for various reasons under the rules but primarily due to the applicant’s parent or grandparent not being a CNPA contributing member.

All information re our scholarship awards and how to apply is contained and easily found on our web site: www.cnpensioners.org If your grandchild is interested in applying next year, he/she should read the instructions posted there well in advance of the scheduled program opening date for acceptance of submissions of April 15th 2020.

The Scholarship Committee would like to take this opportunity to thank CN Pensioners/survivors and their children/grand-children/great-grand children for their interest in this project.

We thank all those applicants who took the time and effort to prepare their professional submissions.

In particular, the students all deserve hearty congratulations for all the volunteer work they perform in their Communities.

The success of this project will be discussed thoroughly at our Annual Director's Meeting in Montreal this coming November with the possibility of offering it once again for the 2020-2021 scholastic year.

If you were not successful this year please do not hesitate to apply again at a future date if you still meet the required criteria.

Thank you also goes out to the Selection Committee Members who performed the difficult task of evaluating the applications and ensuring that their decisions conformed to our strictest, non-prejudiced evaluating methods. Members as listed above.

Reginald Hebert,
Scholarship Committee Chair
